APRIL 2016

Mayor's Corner:

I want to thank everyone who braved a little cold air to come to the Easter egg hunt, as well as to Trustee Mardi Early and several parents that helped hide eggs. This event was a rousing success mostly due to the arrival of the Easter Bunny.

I will also forward a heart felt thank you from many of the parents to Erin Mahoney..... I mean.... the Easter Bunny for coming down and taking pictures with the kids. We are looking forward to seeing you all again next year.

As a reminder April 2nd at 10am the groundbreaking for the new Town hall/Police station will be held at 703 Weld County Rd. 37 in front of the current town building. This has been a long time in the making and the town board and staff have worked very hard to get Lochbuie to this point. I invite you all to join us in this momentous occasion.

I would like to take a moment and thank Public Works for doing a great job with snow removal during our last snowstorm. Because of their efforts emergency vehicles had the ability to access the town in a safe and timely manner.
