

LOCHBUIE NEWS

Town of Lochbuie Newsletter

JULY 2016

MAYORS CORNER:

First let me thank the many Lochbuie neighbors that took the time to contact me with your lists of what types of retail you would like to see come into town. It was great to see that we agreed on many of the selections, from grocery stores to the types of restaurants and amenities needed in town. Again, thank you for all the input. Now the board and staff have the arduous task of demonstrating to retail developers that Lochbuie can sustain a solid retail sector. Our main goal will be pushing to bring in the places our citizens want in our town.

I would like to invite all Lochbuie residents to come sit down and speak with me at the first monthly Mayor's Mingle, July 12th, from 6 to 7 pm. It will be held in the outdoor patio of the Sandbox bar and grill. I encourage all to come to this informal event and take the opportunity to ask questions. I look forward to meeting you all and discussing Lochbuie's events and issues of the day.

Michael Mahoney, Mayor

We would like to thank all of those who have reached out and placed themselves on the list to help others in need. We have been able to pair several volunteers with residents in need already.

We would like to reach out and ask that if you are a senior citizen or person with a disability that prevents you from being able to take care of minor yard maintenance such as lawn mowing please give Code Enforcement a call at 303-422-4473 or email at cocompliance@comcast.net and we will help put those in need with our gracious volunteers. Thanks!

Every drop counts. Be water smart!

With summer's arrival, the daily water consumption rises. A few small changes can go a long way:

- ⇒ Water your yard early in the morning or late in the afternoon to avoid evaporation
- ⇒ Understand how your sprinkler system works and avoid overwatering
- ⇒ Use a broom instead of a hose to clean your driveway and walkways
- ⇒ Inspect your faucets and toilets regularly for small leaks
