Trash Container Regulations Reminder

Just a friendly reminder...

The Town of Lochbuie would like to introduce our new Community Services Officer, Erik Hernandez, he will be handling code enforcement under this new position. Also wanted to remind citizens of the trash regulations and the penalties that can be assessed if not in compliance.

A few things to keep in mind per Town Ordinance 618:

- No person shall place any rubbish, weeds or brush in any public place or private property except in the proper containers for collection.
- Refuse and recycling containers shall remain covered at all times and kept off the street, curb and sidewalks and concealed from public view except from 7:00 pm the evening before collection day until 7:00 am the day following collection.
- Any person whose name appears on the utility account and fails to follow the regulations will receive a notice advising of the violation. If the container is then not removed in a timely fashion the account holder will be assessed a civil penalty in the amount of \$5.00 for each day the container is not concealed.
