FEBRUARY 2017

Mayors Corner

Mayor Mahoney would like to invite all residents to his next Mayor's Mingle on **Monday, February 13, 2017 at 7:00 pm at the Lochbuie Town Hall.**

The Mayor's Mingle this month will have a special focus: the "**Town of Lochbuie Water System Master Plan**" will be presented by JVA Consulting Engineers at this public workshop.

The purpose of the Water Master Plan is to develop a comprehensive planning document that provides the guidance necessary for the Town's water system to reliably serve quality water to the existing and future service area. The Capital Improvement Plan (CIP) will assist the Town in prioritizing projects and developing annual budgets.

The Mayor's Mingle is an informal event which provides a unique opportunity for the community to gather, build relationships, voice concerns and get to know your Mayor and the municipality you live in.

COMMUNITY NOTIFICATION MEETING REGARDING SEXUALLY VIOLENT PREDATOR

The Lochbuie Police Department will host a public meeting on **Tuesday, February 7, 2017 from 5:30-6:30 pm at the Lochbuie Town Hall**, to provide relevant information and answer questions about a Sexually Violent Predator moving into the community. Information presented at this meeting will also be made available on the sex offender website available through the Lochbuie Police Department website, following the meeting. Due to the subject matter of the meeting, it is not advisable to bring children. Children under 15 will not be permitted to attend the meeting. It is strongly encouraged that the appropriate information be shared by parents with children after the meeting.

Sex offenders are required by law to notify law enforcement of their residence and law enforcement is authorized to share that information with members of their communities. In the case of sexually violent predators, law enforcement is required to notify members of the community of the offender's address.
