

LOCHBUIE NEWS

Town of Lochbuie Newsletter

JULY 2017

TOWN UPDATES:

- ⇒ The Town of Lochbuie in partnership with the Conservation Center is offering free sprinkler inspections to help you save water and save money. There are still 29 spots available for the FREE Sprinkler Inspections. Contact the Conservation Center at (303) 999-3824.
- ⇒ The Town is partnering with the University of Colorado Denver Center for Community Development to consider new uses and redesign of the Skate Park.
- ⇒ Ramey Environmental will be conducting Lead and Copper Testing for the Town throughout the month of July. Sample homes will be given instructions wrapped on a bottle for the resident to fill. Ramey will try and go to every door to explain the instructions to residents. Once the sample is taken, the resident places the bottle and paper out by the front door so Ramey can pick it up.

Board Trustee Achieves CML MUNiversity Award

Trustee David Ott was awarded at the Colorado Municipal League (CML) Annual Conference for reaching the Fundamental Level of the CML MUNiversity. The CML MUNiversity is a leadership program for Colorado municipal elected officials who invest time and resources to increase their knowledge of municipal government and enhance their capacity to lead.

Town Partners with Buxton for Retail Recruitment Support

Driven by rapid Town growth, Lochbuie Board of Trustees & Staff are actively pursuing a variety of economic development leads that they hope will continue to make Lochbuie a dynamic place to live and add to the fabric of the community. The Town partnered with Buxton, a retail recruitment support firm, in February to help navigate the research and networking process. Buxton, an industry leader in customer analytics, is working to assist the Town in identifying local area shopping demands to help focus on recruitment of new businesses and provide customer intelligence to existing businesses.

Stay tuned for more exciting development updates coming soon!

During the Summer Water Consumption Rises....Be water smart!

- *Water your yard early in the morning or late in the afternoon to avoid evaporation
- *Understand how your sprinkler system works and avoid overwatering
- *Use a broom instead of a hose to clean your driveway and walkways
- *Inspect your faucets and toilets regularly for small leaks

SAVE WATER

SAVE MONEY

Reminder of water rates are as follows:

Meter Size	Previous Base Rate	Current Base Rate
5/8" Meter	\$40.07	\$30.00
