OCTOBER 2017

Mayor's Mingle Cancelled

The October Mayor's Mingle has been cancelled due to the joint meeting of the Town Board and Planning Commission.

The Town Board and Planning Commission will have a joint meeting on the Comprehensive Plan and Land Development Code on Tuesday, October 10, 2017 at 7:00 p.m. at Town Hall.

The **Comprehensive Plan** is a planning document required by municipalities by Colorado state law. A Comprehensive Plan is designed to serve as the town's "blue print" for future development. Elements included in the Lochbuie Comprehensive Plan will be Planning Context, Economic Development, Land Use, Circulation and Transportation, Public Facilities and Services, Parks and Recreation, Tourism and Sustainability.

The **Land Development Code** provides regulatory guidance on zoning, subdivisions, signage and other land use components, and is a key tool in implementing a Comprehensive Plan.

Time To Think About Winterizing

Have you had your irrigation system winterized yet? Don't get caught with frozen pipes this winter. The weather is starting to change and holidays are just around the corner, we want to help you finish out the 2017 season by taking care of your irrigation system. It needs to be properly shut down and cared for to keep it safe from damage over the winter.

Don't wait too long to have this done! We are now moving into the cold season!!

Please Pick Up After Your Pet!

Every responsible pet owner agrees....picking up after your dog is a must. No matter where or when it occurs don't forget to scoop the poop!
